

Passive House Days

Canada - November 8 - 10, 2019

Red Deer Subaru - Car Dealership

The Scott Subaru dealership is the world's first PH certified auto dealership. It includes a showroom and repair bays. Located in Red Deer Alberta, this project has successfully certified in city that has extreme high and low temperatures, as well as significant wind. These climate attributes created challenging conditions, but through collaboration between Architecture, Mechanical Design, and the Passive House Design team, the project has reached a successful conclusion.

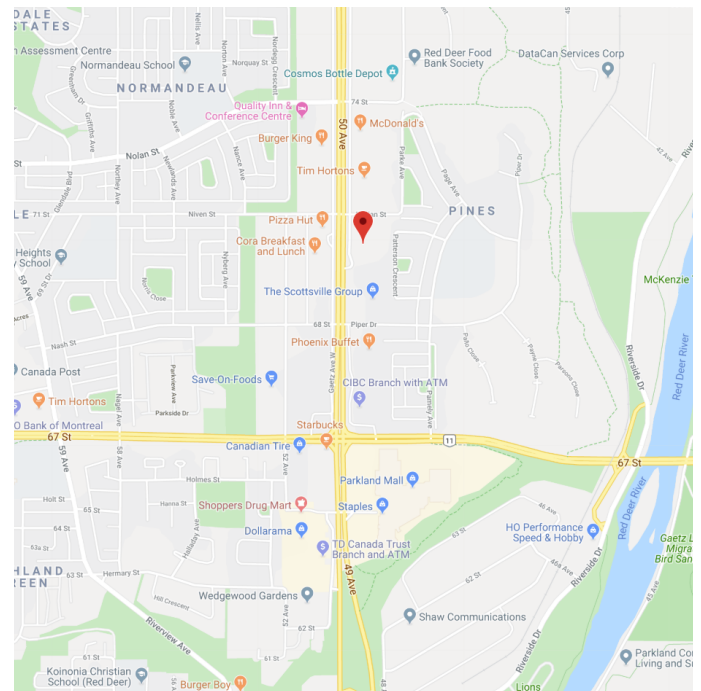

6863 50 Ave, Red Deer
Alberta
